| 1 | 11-2011 | Re OPENDED From 2013 | TEE PEE Loop trail down to the creek is washed out on both sides/probably needs cross ties/step down and some re-routing to improve drainage and footing Ricky Rains owns the property. | Moved trail to a new location on April 18 th 2013, but it has washed out and is very muddy. May have to move back to the original location. | <i>6-2013 Ricky said to do whatever it takes to fix the mud problem. Nov. 2013 Brenda/Joe led effort to provide a temp. improvement. Need to re-route/redo</i> |
| 2 | 09-2010 | OPEN Moved from 2010/2011 List | Wildcat Den trail-severe drop off in several places is washing out again, plus area down to the creek is washed out/alternate path has roots sticking out. Should probably remove tree stump down by the creek area. Note: The trail goes across a 2,000 acre tract of land owned by the Sloan family which is not part of Spruce Creek. | Sharon and Dino (works for Danny) installed 4 cross tie step downs at the first big drop off which did help. Sharon, Ricky, Bev, Pete, and Laurie walked it again 11-22-10 as part of Board meeting. JUNE 2011 Roger and Lee did some work to clear around stump May 2013 Stump has been removed | <i>Wallace Linder (the caretaker for the Sloans (owners) said they will allow us to re route the trail/build some switch backs!!!! YEAH!!!! Danny and Wally will look at the new route after the leaves are off the trees (Nov/Dec)</i> |
| 3 | 04-2012 | OPEN Moved from 2013 list | A deep wet spring continues to reappear and erode the trail beside Jaimie W. property. | <i>Even a bridge could be a problem as the wet springs and sink holes appear/reappear</i> | <i>Matt Stringfield has agreed to let us re-route the trail onto his property....put it up on the bank to avoid the gully area!!!</i> |

| 4 | 06-12-2010 | OPEN Moved from 2010/2011 List | Evergreen Trail – behind Cathy & Scott (Vet) and Fultons’ property has washed out/-needs additional drainpipe or culvert. If the trail could be relocated, perhaps this would improve the on-going problem. | <i>Tracey and Danny Hatcher</i> NOTE: determined that this is not Keith Holly’s land | <i>Danny put down 2 loads of rock on July 3 2012 which provided improvement. Tracy had discussion with owner-Scott said he would probably allow us to reroute the trail...drainage also affects DeWitt Shelton’s land</i> <i>Another possible solution could be to reroute onto Don Mitchell’s land (below Whiteheads.)</i> |
