May have to move back to the original location. | <i>6-2013 Ricky said to do whatever it takes to fix the mud problem. | 2 | 09-2010 | OPEN Moved from 2010/2011 List | Wildcat Den trail-severe drop off in several places is washing out again, plus area down to the creek is washed out/alternate path has roots sticking out. YEAH!!!! Danny and Wally have marked the new trail with ribbons. Laurie and Tracey working with lawyer (Jim Roamer) obtained signed document requested by Sloan family. Work should begin in June, weather permitting.</i> |

He should be here the week of June 14th, 2014.</i> |
