1	11-2011	Re OPENDED From 2013	TEE PEE Loop trail down to the creek is washed out on both sides/probably needs cross ties/step down and some re-routing to improve drainage and footing Ricky Rains owns the property.	Moved trail to a new location on April 18 th 2013, but it has washed out and is very muddy. May have to move back to the original location.	<i>6-2013 Ricky said to do whatever it takes to fix the mud problem. Nov. 2013 Brenda/Joe led effort to provide a temp. improvement.</i> <i>Had 4 work days to lay fabric and 5 loads of rock. Need to assess in spring.</i>
2	09-2010	OPEN Moved from 2010/2011 List	Wildcat Den trail-severe drop off in several places is washing out again, plus area down to the creek is washed out/alternate path has roots sticking out. Should probably remove tree stump down by the creek area. Note: The trail goes across a 2,000 acre tract of land owned by the Sloan family which is not part of Spruce Creek.	Sharon and Dino (works for Danny) installed 4 cross tie step downs at the first big drop off which did help. Sharon, Ricky, Bev, Pete, and Laurie walked it again 11-22-10 as part of Board meeting. JUNE 2011 Roger and Lee did some work to clear around stump May 2013 Stump has been removed	<i>Wallace Linder (the caretaker for the Sloans (owners) said they will allow us to re route the trail/build some switch backs!!!! YEAH!!!! Danny and Wally have marked the new trail with ribbons. Laurie and Tracey working with lawyer (Jim Roamer) obtained legal document requested by Sloan family. June 2014....new route cut on our side of the creek...much improved. Still need to layout and cut other side of the creek and complete creek crossing.</i>
3	04-2012	OPEN Moved from 2013 list	A deep wet spring continues to reappear and erode the trail beside Jaimie W. property.	<i>Even a bridge could be a problem as the wet springs and sink holes appear/reappear</i>	<i>Matt Stringfield has agreed to let us re-route the trail onto his property....put it up on the bank to avoid the gully area!!! He should be here the week of June 14th, 2014.</i>

4	06-12-2010	OPEN Moved from 2010/2011 List	Evergreen Trail – behind Cathy & Scott (Vet) and Fultons’ property has washed out/-needs additional drainpipe or culvert. If the trail could be relocated, perhaps this would improve the on-going problem.	<i>Tracey and Danny Hatcher</i> NOTE: determined that this is not Keith Holly’s land	<i>Danny put down 2 loads of rock on July 3 2012 which provided improvement. Tracy had discussion with owner-Scott said he would probably allow us to reroute the trail...drainage also affects DeWitt Shelton’s land</i> <i>Another possible solution could be to reroute onto Don Mitchell’s land (below Whiteheads.)</i>
