2	06-2010	OPEN	Evergreen Trail – behind Cathy and Scott (VET) and Fulton's property has washed out areas....step down cross ties have also become dangerous.	<i>Perhaps a drainpipe or culvert would help. Note: this is NOT Keith Holly's land</i>	<i>In 2012, Owner-Scott said he would probably allow us to reroute some on his land in discussion with Tracey, but would affect run off on Sheltons DeWits property.</i>
3	04-2012	OPEN Moved from 2013 list	A deep wet spring continues to reappear and erode the trail beside Jaimie W. property. March 2015 We closed trail	<i>Even a bridge could be a problem as the wet springs and sink holes appear/reappear</i>	<i>Matt Stringfield agreed to let us re-route the trail onto his property....put it up on the bank... redone several times. Still a problem. Perhaps a slabwood road-see Dave Duchon.</i>
